She is the daughter of the Taoist Pork Ja Sa af Mount Gold
Scratch head
Si Beak! You must marry that girl
But we accepted the marriage letter from Kim's family
Jo Sa Park is not an ordinary person in this world
It's necessary for our son to marry his daughter

But we can't cancel the arranged marriage
Is she beautiful?
I don't like country girls
I heard that she is a fairy's daughter
She can do housework and use magic. She may be very useful for our family
Oh ho... A fairy's daughter?
You fool! Bring your mirror and get out
Ok.I have a date anyway
Dear!
Swing
What can a taoist do for our familly?
Listen to me
I'll sleep at the inn

The daughter of Lord Kim is magnificent indeed
Hawever na matter in what manner she is, that stupid san would still play araund!
Ah, I'm drunk with your love
Honey!
I feel so sad for saying this
Mr. Cook family is so unfortunate
Having this kind of son only ruin our family's reputation
Uhm
So why don't we take risks ta make him change?
If the bride is an expert taoist, he won't dare to look down on her
Clang

I just wont him to train himself
But honey, do we have to go that far?
What about the marriage letter?
We will tell them that a fartune-teller said those two were incom-patible
We are obligated to return the marriage letter and listen to their complaints.
Oh god why must we have to worry this much for that good-for-nothing fellow
Indeed He might or might not even compensate us
Let us test our luck and see what will happen
HA HA HA
HA HA HA

I won!
I'm the king!
Turn

Si Beak's punishment is to write a poem about "Men"!
Me again? That's boring
Si Beak's poems are fantastic ♥

After returning from Mount Goldriver,my father wants me to marry some taoist's daughter
What? A taoist's daughter?

Is she a beauty?
No matter what the first question boys would ask
Maybe I heard that she was daughter of a taaist and a gaddess
What?
When one of my familly's servants went to the forest to search for firewood

He was peeking the goddesses from heaven, while they were bathing
Oh Oh! Did he steal their clothes?
Wow
Wow
No the goddesses discovered him and beat him to nothing
Ah
When he came home,
he was terribly injured yet he still wanted to meet them again.
Even if I'm beaten, I wish to see you once again
Ah no beat me
Goddess
I love you
Haa
She must be gorgeous! I'm so envious of you, Si Beak.
Now Now
Why is he so fortunate?

If he gets married to a beautiful wife, he might not come to the red light district anymore
No way, Si Beak appa!
Won't you become afraid of your wife? Ho ho ho

How can I leave you, beautiful Hong Dan?

Although I said I didn't care

Hearing them makes me think that this wedding may not be so bad after-all?

Oh my, the groom is so handsome
He's cool like what my father said
Look at the bride!
Let us see your face

I can't see her face But she seems to have a nice forehead
During this hustling season at the end of August we respectfully offer the ancestor a thanksgiving ceremonial. Thanks for joining in wedlock between Si Seok- the only son of Duc Jun Lee and the only daughter of Ja So Park
We would like to offer wine and gifts to show our sincerity
Aaah So handsome! My husband~

God gave you the chance to be husband and wife. From now on, you two must treat each other right. Don't do anything to shame nor hurt each other.
Oh my. Well teaching!
Boreum, no matter who your parents are. Now you're daughter-in-law of this family. You must take good care of your husband.
